

Ronald G. Steers

With a very heavy heart, Judi Steers informed us of the passing of her dad, Ronald G. Steers, on Sunday afternoon 13 January, 2019 at Windsor hospital after a short battle with pneumonia.

Ronald served as a Sergeant in WW II and was a long time member of our Wing, having joined in 1963.

Cremation has taken place.

There will be a gravesite service in May at Glendale Memorial Gardens in Etobicoke, but the date has yet to be set.
